Dear Mr. Johnson - Nat'l Commander:

I was glad to receive your letter of April 9 regarding the C. A. P. song. Congratulations to Mr. Riley & Mr. Price of the Ohio King - sharing honors.

I should be most interested in hearing of your radio plans as soon as you have them formulated.

I am now in officers training at Fort Des Moines which necessarily keeps me very occupied - but, I will be most glad to be of any possible assistance in your presentation plans.

Please keep me advised. Have you furthered any plans for publication?

Sincerely,

Corothy M. Robinson
